

Fort Bayard Medical Center **Mission Statement**

Fort Bayard Medical Center rises to health care challenges by striving to be a leader in our community and providing a wellness way of life with quality, efficiency, compassion, and empathy for the residents entrusted to our care.

Mission

To foster healing and health for the residents and community we serve. Excellence in the provision of health care services to our residents and their families and the community we serve.

Vision

Fort Bayard Medical Center will be known for:

- ❖ Care so coordinated and welcoming that residents feel “they know me here.”
- ❖ Compassionate competent and dependable care that earns the community’s trust.
- ❖ Passion for improving the delivery of care and services to our residents & their families.
- ❖ Concern for the health of our community, especially the under-served
- ❖ Responsible use of our resources.

100 Calle El Centro
PO Box 36219
Fort Bayard NM 88036
(575) 537-8600 or (800) 541-6966

A LITTLE BIT ABOUT US

Fort Bayard Medical Center is a licensed and certified, 200 bed Long-Term Intermediate and Skilled Care Facility. Other programs at FBMC are Yucca Lodge Chemical Dependency Treatment Center.

We are a nursing home that provides many levels of care. We accept Medicare, Medicaid, Private Insurance and Private Pay for services. We provide services to every person who is medically eligible.

HOW TO FIND US:

Fort Bayard Medical Center is located on the site of an Army cavalry post, in the Southwestern Foothills of the Pinos Altos Mountains of New Mexico. Our visitors travel on U.S. 180 and find us 8 miles east of Silver City, New Mexico. The road curves gently through a grassy tree-shaded landscape and past wood-framed cottages and stately two and three story homes.

NEIGHBORHOOD CRITERIA

Pine Top Retreat - is our specialized skilled unit providing extensive rehabilitative care, medical care and treatment. Unit occupancy is based on meeting skilled and specialized criteria.

Chamisa - has a mixed population and specializes in the care of Alzheimer's disease with non-combative behavioral challenges in a structured environment for the confused, disoriented and/or wandering residents.

Desert Lodge - has an all male population. This neighborhood provides behavioral management care for socially demanding behaviors.

Honor Hall - is our Veterans unit. It is a predominately male neighborhood, providing behavioral, physical and medical care for the honorably discharged veteran.

Hawthorne Haven - has a mixed population and is for physically and mentally capable residents who are more mobile and independent in activities of daily living. These residents are free to move within the facility and outside on the facility grounds.

FBMC Way

- ❖ **Integrity** - doing the right thing.
- ❖ **Welcoming Spirit** - making all feel at home
- ❖ **Partnership** - together and with residents, families, community, physicians, providers, payers.
- ❖ **Pride** - doing good work and making health care better/making a difference
- ❖ **Good Humor** - enjoying one another and our work.

SERVICES PROVIDED

Fort Bayard Medical Center provides care for people who have a medical need and who can no longer provide care for themselves. Our residents at FBMC are people with acute and chronic diagnosis such as behavioral problems, organic brain problems, personality disorders, diabetes, heart problems, cerebral vascular disease, chronic obstructive pulmonary disease, and atherosclerotic cardio-vascular disease.

FBMC also offers skilled care which is provided to people who need rehabilitative services or a higher degree of medical care.

In addition to full nursing care, and in-house physicians **Fort Bayard Medical Center** also offers Social Services, Activity Therapy, Physical, Occupational, Speech/Language and Restorative Care Therapies, Case Management, Laboratory Services, Pharmacy, and Transportation Services.
